Business Matchmaking – Meeting Request Guide

Pre-register first, then log in to the matchmaking platform to explore exhibitors and products and schedule meetings. Available on both desktop and mobile.

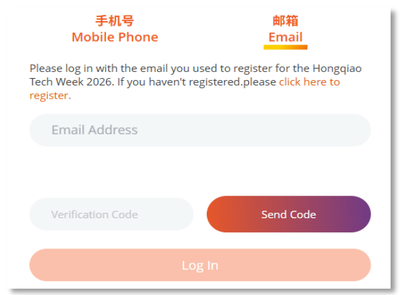

1 Complete pre-registration

Register on the visitor registration platform (overseas visitors should select "Non-Chinese ID").

Select **"Interested in Business Matchmaking"** and complete your areas of interest and sourcing requirements.

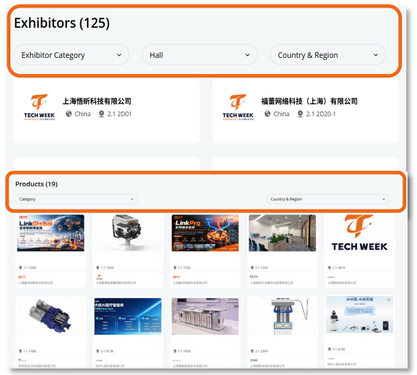

2 Log in to the Matchmaking Platform

Access the matchmaking platform by scanning the QR code in the bottom-right corner.

Log in using the **mobile number or email address** provided during pre-registration and verify your identity.

3 Browse Exhibitors & Products

Go to **"Exhibitors "**and **"Products"** filter by product category, exhibition hall, or country/region.

View all the details.

4 Request a Meeting

Click **"Meet"** on the exhibitor's page to request a meeting, or select **"Enquire"** to leave a message.

Please note that sending an enquiry will not automatically redirect you to the login page.

Select Exhibitors via Email

Alternatively, you can review the exhibitor list attached to our email, tick your preferred exhibitors directly in the spreadsheet, and return the completed file by **replying to this email** or sending it to **「hqtw.vip@informa.com」**.
